## MESSAGE

*Dear Students, Parents, Friends and Well Wishers of The Paradise,*

Greetings and best wishes to each and every one of you.

The month of November has arrived and all of us are enthusiastic to renew our love for our state with the celebration of the Kannada Rajyotsava, the foundation of our dear state of Karnataka. The month-long celebrations fill our hearts with pride and joy, reminiscing the cultural and linguistic heritage of our state with all its unifying factors and at the same time celebrating the uniqueness of the various regions and people within the state. **Jawaharlal Nehru** said, *“Culture is the widening of the mind and of the spirit.”* Embracing everyone with their distinctiveness is one of the basic human natures that all of us are called upon to imbibe into our hearts and minds and teach the same to our future generations.

What about the artistic, classical music and dance heritage of the state and its people? Yes, it is to be celebrated, glorified, protected and promoted. The adults are urged upon to teach our young children the cultural heritage that we take pride in and instill in the young minds that culture is not only our history but rather our very life. Every aspect of it has to be lived, celebrated and cherished. Thus the Kannada Rajyotsava reminds us about our very own life and the worth we attach to everything associated with our living. **Mahatma Gandhi** once said, *“A nation’s culture resides in the hearts and in the soul of its people.”* People become great and a civilization achieves its peak when oneness in diversity is given the priority and the achievement of one is recognised and appreciated by the rest of the population. Hence, every little achievement and success for a public good or for a common cause is to be admired.

Further, our state Karnataka stands as a beacon for the spirit and culture of India with very rich culture and technological innovation at its best. Our celebrations ought to help us continue to take the lead in innovation and progress, widening our minds to welcome the best of talents that contribute to our goals for development.

May the celebrations of Kannada Rajyotsava 2025 lead us forward as a state that contributes the maximum for a vibrant nation and be a leader at the global level.

Happy Kannada Rajyotsava to every one of you!

With Best Regards,

**Dr S Isias**

Dean and Principal

## HONOURING BAPU

The Paradise Residential School commemorated the 156th birth anniversary of the Father of the Nation, Mahatma Gandhi, with a special observance of Gandhi Jayanti on 2 October 2025. The day was dedicated to instilling Bapu's timeless principles of truth, non-violence, simplicity, and cleanliness in our hearts and minds.

The school management emphasized the relevance of Gandhiji's ideals in shaping responsible citizens and fostering a peaceful environment in schools and in the society. The event, though small, was a meaningful reminder of the enduring legacy of the Father of the Nation.

## STAND UP AND DELIVER

Our Kindergarten students celebrated Talents Day on 10 October 2025 with great excitement in the school auditorium. The children showcased their wonderful talents through singing, dancing, recitations, slogans, colouring and role plays depicting their favourite cartoon characters. Each child participated with confidence and creativity, making the event lively and enjoyable. It was truly a delightful experience to witness the hidden talents of our tiny tots. Parents also showed their keen interest in preparing the kids and encouraged them for the talent show. The day was filled with cheer and pride as our young learners confidently displayed their unique abilities. It was indeed a memorable occasion that highlighted the spirit and talent of our little stars.

## ENLIGHTENMENT OF VIOLET

Our Kindergarten celebrated Violet Day on 13 October 2025 with great joy. The children looked vibrant in their violet-coloured dresses, adding beauty and charm to the classrooms. To mark the occasion, children brought their favourite violet-coloured toys and participated in fun group activities. A cheerful photo session was also organized in the classroom to capture these delightful moments. The celebration helped children identify and appreciate the colour violet through engaging and hands-on experiences. It was indeed a colourful and joyful day for our little learners!

# THE POWER OF PARTNERSHIP

The Paradise Residential School successfully conducted its Parent - Teacher Meeting (PTM) on 18 October 2025 reinforcing the school's commitment to collaborative education and holistic student development. The PTM served as a vital platform for open dialogue, ensuring a strong connection between the home and the school environment. The PTM followed a structured yet personalized agenda, focusing on a comprehensive review of each student's progress. Teachers presented detailed reports on student performance in recent examinations and internal assessments. The discussion highlighted strengths and identified specific areas for improvement. The PTM successfully strengthened the bond of trust and cooperation, paving the way for a more engaging and supportive learning environment for all students.

# PARADINES EXPLORE THE UNIVERSE

The Paradise Residential School organised an Educational Trip to Jawaharlal Nehru Planetarium on 23 October 2025 for Grades III to V. Our Paradines were excited to explore at every moment. The students enjoyed the Science Park by experiencing many hands-on science activities. The students were treated to the show on Our Sun and its family, a voyage to the solar system which offered a detailed journey through space through stunning visuals on hemispherical dome, leaving the students both amazed and inspired.

Our high school students of Grades VI to X were happy to move out of the classrooms in an experience transforming their learning into actual settings at RNS Engineering Workshop and Big Banyan Tree on 30 October 2025. Field trips are more than just a break from the classroom routine. They are powerful educational tools that transform abstract concepts into tangible, real-world experiences. By leaving the classroom, students gained direct access to industrial environments and experts that can dramatically deepen their understanding and engagement. The Paradines could get a firsthand knowledge on diesel generator parts and colouring of threads for fabrics. The learning affects the minds and the experience enriches the heart.

God's continuous love for humans and our fellow living beings is exhibited with every new life on the Earth.

As one of the most important inhabitants of the Earth, possessing the power to contribute to life, let us pledge to love children, protect and guide them to achieve maximum potential as per the will and designs of the Creator.

Let our children have a wonderful childhood with learning and joy, with the aroma of love and affection always surrounding them.
