# ACADEMICS AND CURRICULUM

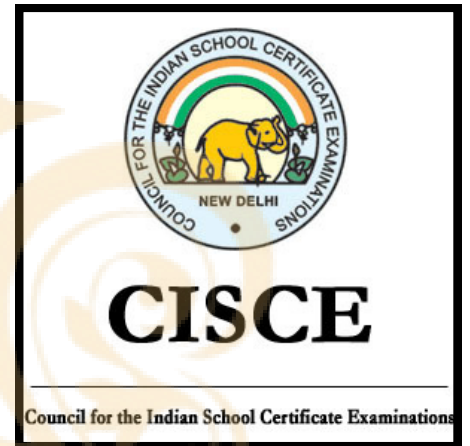

The Paradise Academy is permanently affiliated to the Council for the Indian School Certificate Examinations (CISCE), New Delhi. The School prescribes to the curriculum of the Council, which in turn adopts a vibrant curriculum as per the guidelines of the National Education Policy and National Curriculum Framework.

The ICSE syllabus is detailed and comprehensive with adequate importance being accorded to communicative skills in English and proficiency in the subjects being learnt.

The syllabi envisage to create citizens that are smart in academics and in life; being ready to meet the challenges of the evolving life.

The detailed study of every subject helps the students to gain in-depth knowledge leading to qualities of diligence.

The subjects of study differ according to the stages in the education of the students, prescribed by CISCE / Government.

## EXAMINATION

The School prepares the students of the School from Grade to Grade for the Indian Certificate of Secondary Education (ICSE) Examination at the completion of Grade X.

Students have continuous evaluation with assessments conducted at regular intervals. There are two unit tests and two terminal examinations. All tests and examinations have components of internal assessment, projects and practical marks.

## ACADEMIC YEAR

The Academic Year normally commences in May / June of every year and concludes in March / April.

There are holidays and vacations as per the School Calendar, which is prepared in line with the holidays and vacations as per the regulations of the Government / CISCE.

The activities are spread throughout the year in such a way that the students are engaged with appropriate activities for their holistic growth and development.

# FACILITIES

We are convinced that every student has the basic qualities to excel in life. The Paradise Academy provides the right atmosphere for quality learning. The excellent infrastructure and other facilities for sports and co-curricular activities create not only academic interest in the students but also the right atmosphere for their holistic growth.

## Campus & Classrooms

We offer one of the best infrastructures and facilities. The digital learning in smart classrooms have brought in greater interest and learning in the student community.

## Faculty

Our professional and well-qualified members of the faculty ensure that the education imparted to the children is of top-quality.

## School Bus

The fleet of school buses with monitoring cameras, first aid kits, fire safety and live tracking facilities ensures safety of the students and time maintenance in a perfect manner.

## Library

The Paradise Academy boasts of academic learning resources in the library that can help the students to broaden their academic acumen.

## Sports & Games

We provide opportunities for early identification and systematic nurturing of sporting talents in the young children and make them achievers.

## Co-curricular Activities

Ample and variety of opportunities are created throughout the academic year at The Paradise for fostering of the God-gifted talents of the students.

## Medical Care

We give utmost priority to the health and well-being of the students. Qualified nurse is appointed to ensure healthcare of all Paradians.

## Educational Excursions

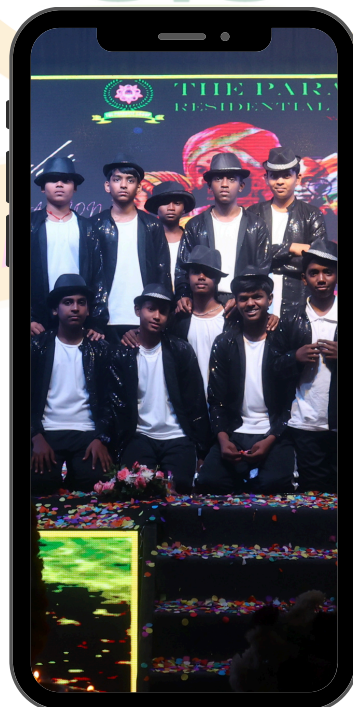

Excursions and trips are regularly organised to places of historic and scientific importance with the view to complement the academic learning in School.

THE PARADISE GROUP

# THE VARIETY IN CO-CURRICULAR ACTIVITIES

The Paradise provides ample opportunity to the students to know one's God-given nature and nurture the same.

and Learning Life  
through Experience**

**Equal Opportunities  
for Every Student  
to showcase**

# ADMISSION

**Pre-School:** Early childhood education is an important component in the formation of a child. The best School in Electronic City opens its arms to the tiny tots throughout the year. We offer age appropriate admission (as per the norms of the Government of Karnataka / CISCE) in our Day Care, Nursery, Lower Kindergarten (LKG) and Upper Kindergarten (UKG). We provide the best care along with foundational learning for the kids.

**Primary School (Grades I – V):** Admission to the Primary Section of this top School at Electronic City begins with registration at the School Office or Online. The child has to undergo an admission test based on the syllabus that the child has passed in the last year or currently studying. All guidance and information, with regard to the results of the entrance test and the admission process, shall be provided to the parents / guardians of the children by the School Office. The normal admission process begins in December. One can also pre-book seats through initial registration.

**High School (Grades VI – VIII):** Admission to Higher Grades in the best School at Electronic City is based on Admission Test. Registration at the School Office or Online is mandatory. The School Office will inform the parents and guardians with regard to Test, Results and the process of admission. The normal admission process begins in December. One can also pre-book seats through initial registration.

**Important:** Admission to the children of Parents / Guardians on transfer or on residential change are considered throughout the year, after diligently assessing every individual case. All admissions are subject to availability of seats in the respective Grades.

# Registration Form

The following documents need to be submitted:

- Copy of the Birth Certificate
- Copy of Report / Marks Card of previous year (for admission to Grade 1 onwards)
- Original Transfer Certificate (TC) from the previous School (for admission to Grade 1 onwards)
- Aadhaar Card
- Copy of the Proof of residence
- Copy of Caste Certificate
- 4 photographs of the student
- 2 each photographs of the parents
- Copy of Passport, if available (mandatory for overseas students)

The Admission documentation / form must also be completed and duly signed by both parents. It contains information which will assist you in your relationship with the School.

Original Certificates will have to be produced at the time of admission for verification.
